What Learners Need to Know

You need to pay course fees if you are 19 or over and wish to study for a qualification at Level 3 to 6.

* You may be eligible for a governmentbacked Advanced Learner Loan to pay for your course fee.

* The amount of money you can borrow depends on your course. The minimum amount you can borrow is £300.

* When applying for an Advanced Learner Loan there is no credit check and household income is not taken into account.

* Loan repayments are linked to what you earn when you've finished your course, not how much you borrowed.

* You only need to start paying back your Advanced Learner Loan when you are earning more than £25,725 per year. You pay back 9% of the money you earn over £25,725.

* If you're employed, loan repayments will be taken directly from your salary through the tax system.

* You can make voluntary repayments at any time.

* Before taking out any loan you should consider all of your options. If you want advice on managing your finances, visit the Money Advice Service at moneyadviceservice.org.uk for impartial advice.
